4 March 2019

Dear Colleagues,

The **European Transport Workers' Federation** is currently running the **Fair Transport Europe campaign** to fight back against social dumping and to defend a positive vision of the transport sector in Europe. Our joint action week, taking place between 22 and 27 March, will see coordinated convoys, rallies and international gatherings across Europe.

By working together, the European trade union movement can achieve a lot. We therefore would like to invite you to join our **demonstration in Brussels on Wednesday 27 March**. That day, we will **assemble at 12:00** in front of the **ETUC building**. We will then march from around 13.00 up to Schuman roundabout, where a closing meeting will take place in a festive atmosphere.

Since the ETUC Executive Committee will be meeting on 26 and 27 March at the EESC building, we hope that you will be able to come out and greet us. We further invite you to contribute with a delegation to our demonstration. A block with ETUC flags will effectively complete the picture. We also welcome the circulation of support messages on social media, using the hashtag #FairTransport.

We thank you in advance for your support and kindly ask you to circulate this invitation among your leadership and member organisations.

In Solidarity,
