A European/International standard -
defining technical criteria of
Protective Gloves for Hairdressers

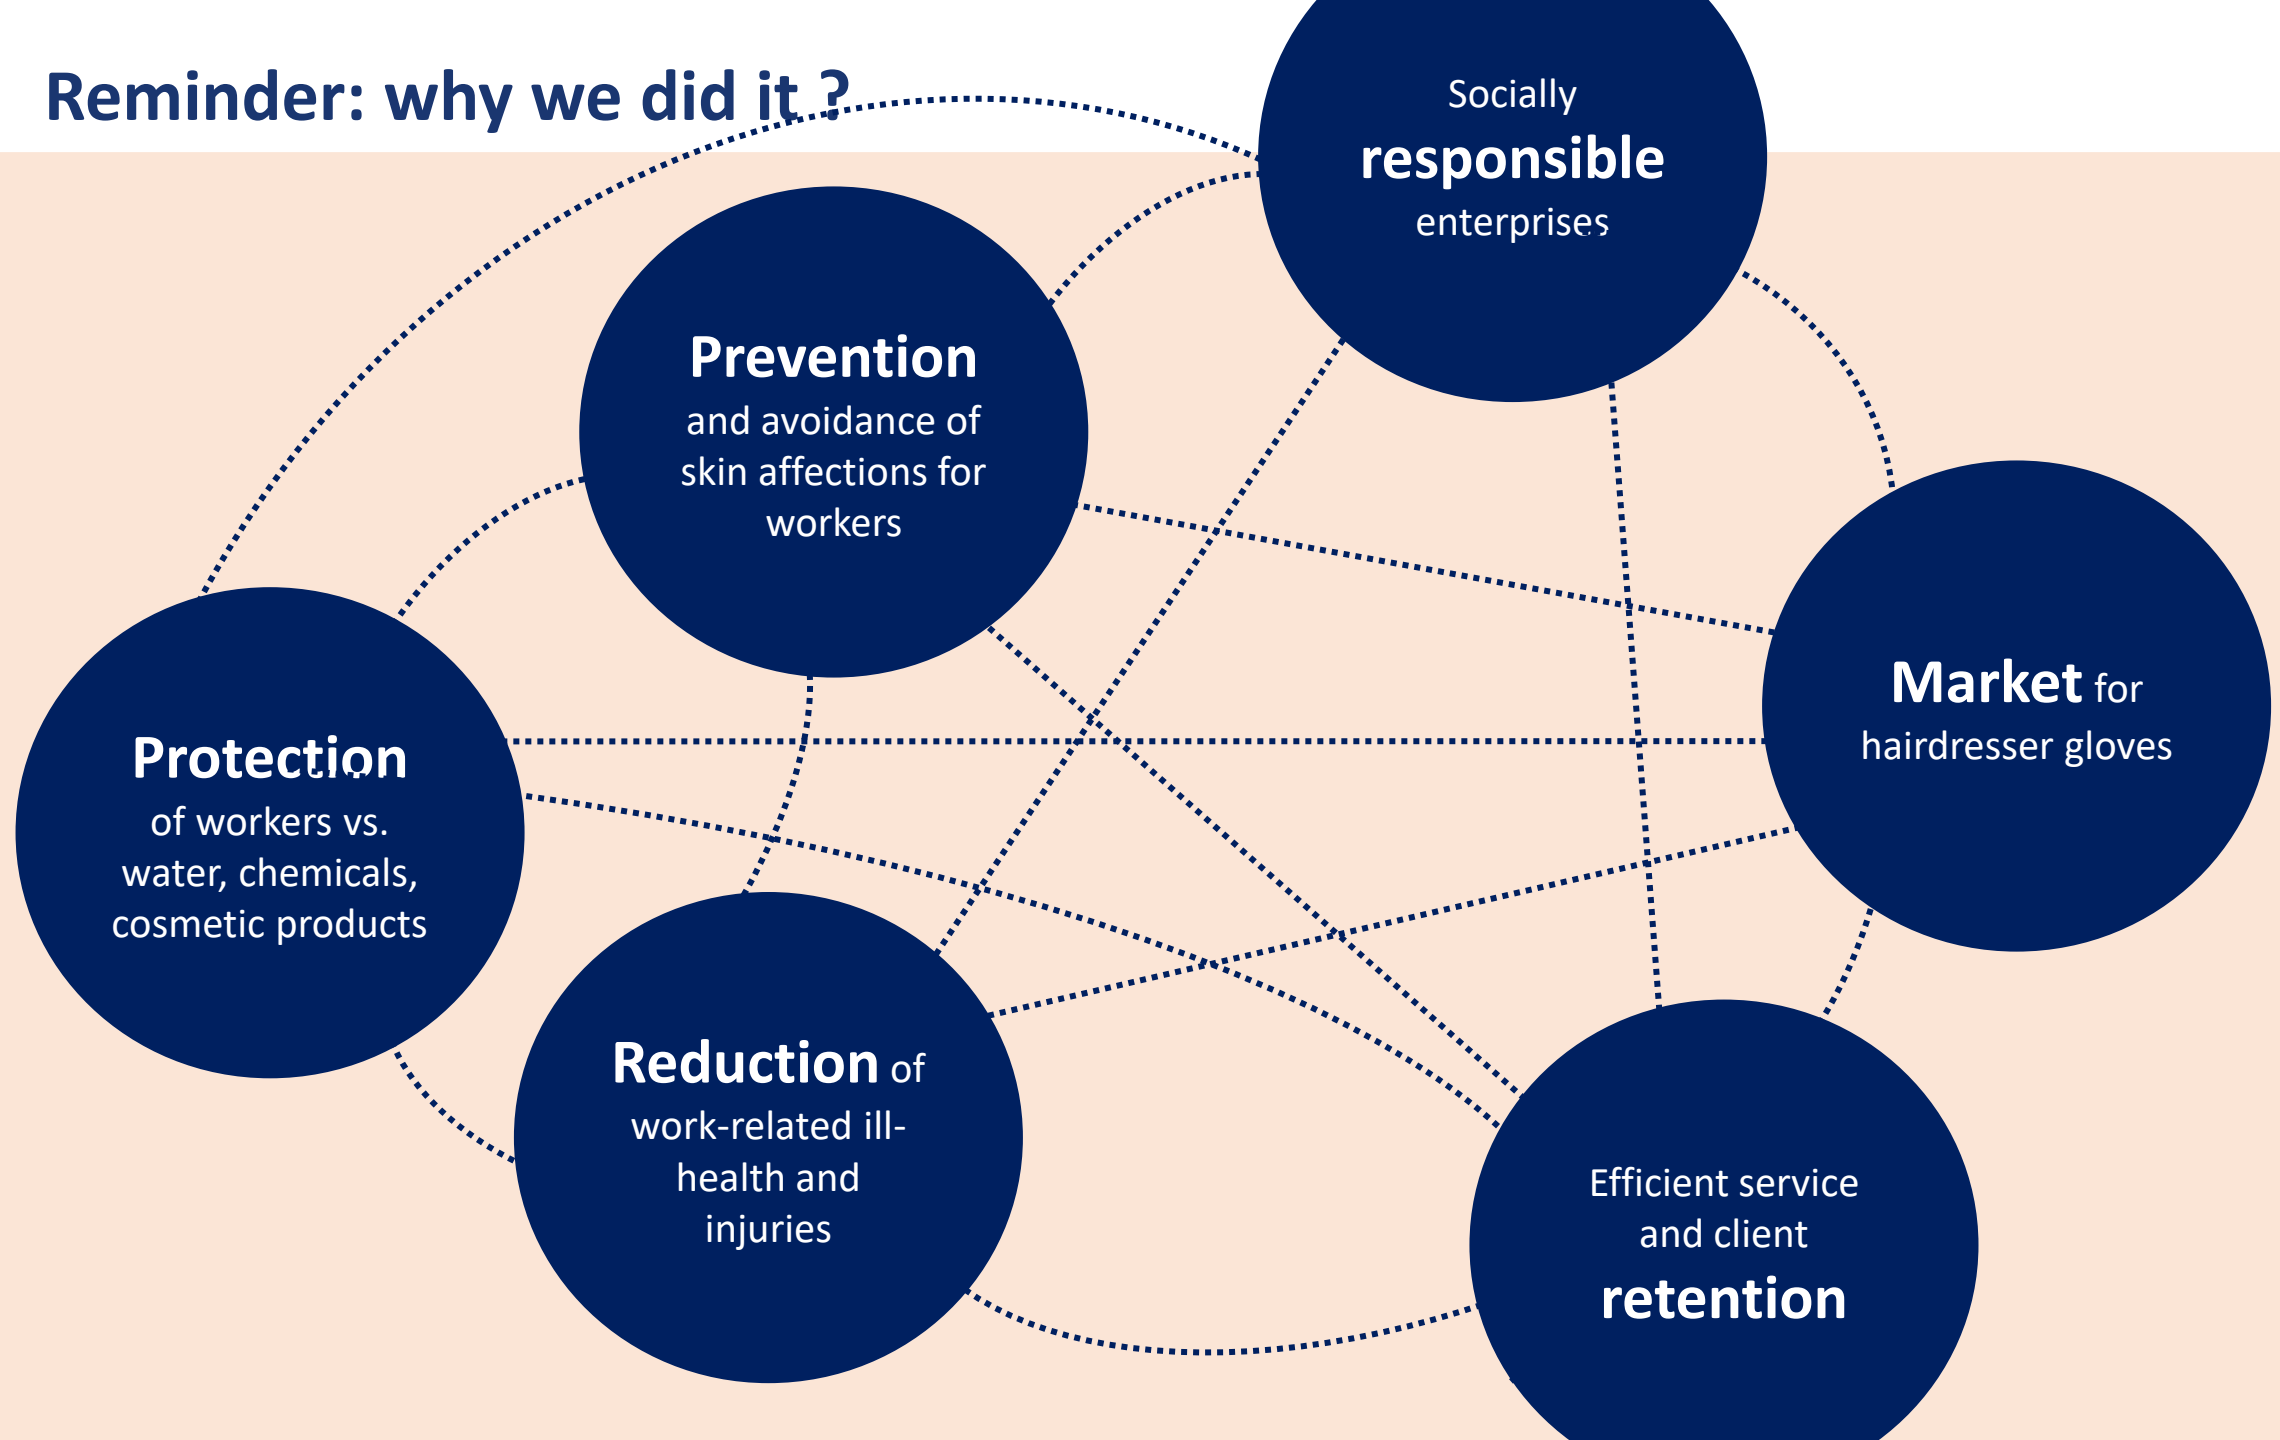

18 June 2025

Brussels

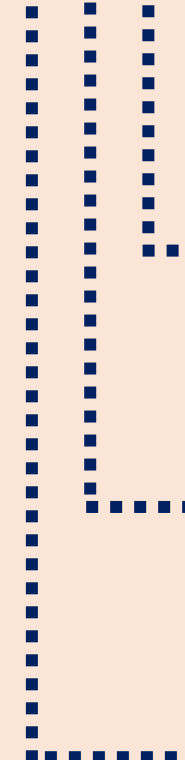

THE VOICE OF EUROPEAN WORKERS

Reminder: why we did it ?

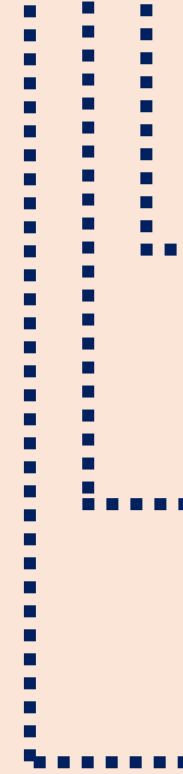

EN ISO 374-6 Protective Gloves for Hairdressers

- **Harmonised standard** → Underpinning **Regulation 2016/425 on Personal Protective Equipment**
- **Presumption of conformity** with corresponding essential requirements of the regulation
- Not only a European Standard (EN), but **also corresponding international standard (ISO)**

EN ISO 374-6 Protective Gloves for Hairdressers

- **Work started in 2019; By July 2021, advanced draft** (incl. technical requirements and test methods)
- July 2021 - October 2021, **Inter Laboratory Trial** (6 labs checking the proposed **test methods** for reliability): **Positive**
- 8 May 2025 – 2 July 2025: **Formal and final vote**, by the National Standardisation Bodies of the EU Member States (and beyond)
 - **Your support for a positive vote, is essential**

How to buy (recognise) the hairdresser gloves (in near future) ?

EASY:

- on the packaging and/or sales information, check if Hairdresser glove **complies with EN ISO 374-6:2024**
and/or
- On the packaging or product leaflet; look for the **hairdresser logo**

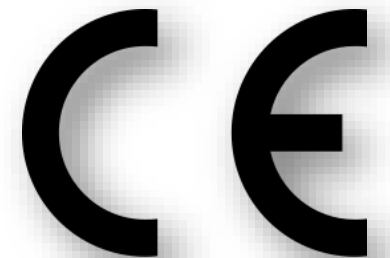

Note: Hairdressers gloves are personal protection equipment and so **obligatory** compliant with **Regulation 2016/425**

A reminder: it is nothing new

Protective equipment regulation, exists since >30 years

Thank you for your attention !
